5. Click the green “Autopay ... monthly” button and you are all set! Your monthly rent will be automatically drafted from your account every month.

***If you prefer to manually approve your payment every month, you can leave the “Turn on monthly autopay...” box unchecked. Your bank account information will still be securely linked to your Intuit account and available for you to use every month when paying your invoice.**

****TH Realty & Management does not get access to your Intuit account or linked bank accounts. If at any point you decide you no longer want to automatically pay your rent using the Autopay feature, you can log in to your Intuit account and discontinue this service. You will still be able to make manual payments using your linked bank account.**
